

G-C

ultra light hands-free ear set

The SAVOX® GC is an ultra light ergonomic ear set for professional hands-free communication providing high quality audio, style and comfort. The SAVOX® GC is equipped with a voice sensitive high quality microphone and with a unique earphone solution that stays outside the ear, still providing clear reception even in noisy environments. The adjustable ear hook provides a comfortable fit - even underneath a hardhat or a hearing protector and keeps the SAVOX® GC firmly in place. The SAVOX® GC adapts directly or through a SAVOX® com-control/PTT unit to your two-way radio/phone.
