

HC-1

helmet-com® unit bone-mic/single speaker

The new SAVOX® HC-1 is a compact and light weight helmet-com unit for professionals working in extreme and hazardous conditions. The SAVOX® HC-1 provides instant, clear and reliable "hands-free" communication, increasing personal safety and work efficiency, allowing full concentration on the actual task. Thanks to the unique arm/strap fastening system the SAVOX® HC-1 easily mounts in almost any type of helmet without any tools. The convenient bone conduction microphone is voice sensitive and makes a perfect combination with a breathing mask. The SAVOX® HC-1 connects to most SAVOX® com-control/PTT units adapting to most types of two-way radios.
