

# HC-E

## helmet-com® unit integrated electret mic

The SAVOX® HC-E is a durable and light weight helmet-com unit for professionals using helmets. The SAVOX® HC-E provides instant, clear and reliable "hands-free" communication, increasing personal safety and work efficiency, allowing full concentration on the actual task. Thanks to the unique arm/strap fastening system, the SAVOX® HC-E easily mounts in almost any type of helmet without any tools. The voice sensitive electret microphone integrated with the speaker unit makes the SAVOX® HC-E simple and cost effective. The SAVOX® HC-E connects to all SAVOX® com-control/PTT units adapting to most types of two-way radios.

### Specifications
